Disney Grad Nite 2011-When the Lights Go Out, the Park is Yours

LAKE BUENA VISTA, Fla - Disney Grad Nite will continue the graduation celebration tradition at the Magic Kingdom Park in 2011 on April 29, April 30, May 6 and May 7. High school seniors will celebrate their upcoming graduation in the transformed lands of the world's most popular theme park. The graduate-only private event will feature chart-topping entertainment, unlimited use of select attractions, and much more.

“Disney Grad Nite is a tradition for graduating seniors from throughout the country. Seeing the Magic Kingdom transformed into a collection of high-energy dance and concert locations is something not to be missed, especially in 2011, where Grad Nite will shine and rock like never before. You only graduate from high school once, you should make it the most it can be,” said Tim Hill, director of Special Programs for Disney Destinations, LLC.

Other event highlights include, star studded performances from Taio Cruz, 3OH!3, and DJ Pauly D, multiple DJ-dance zones, and an event highlight - the Class of 2011 fireworks display. This year Grads are invited to customize elements of their Grad Nite through Facebook.

The celebration begins at 10 p.m. and continues until 4 a.m. The night is designed for fun with adventure around every corner. The numerous attractions including some Disney favorites like Splash Mountain, Space Mountain, the enhanced Pirates of the Caribbean and other beloved Disney attractions will be open all night. In addition, schools can kick-off the event early with additional theme park tickets and at exclusive pre-event options.
