

Missouri State Beta Club donates funds to tornado recovery effort

The Missouri State Beta Clubs' state officers organized an impromptu fundraiser for the Branson Tornado Recovery Effort, after noting the destruction in the convention's host city. A check in the amount of \$750 was presented to the Community Foundation of Taney County, President, Dr. Doug Jordan, and former beta club president.

"It is refreshing to see the

compassion that comes from young men and women today," said Dr. Doug Jordan, President of the Community Foundation of Taney County. "Beta Club is a great organization that helps build character in our students, nationwide, and we are truly grateful for their generosity during their visit to Branson."

To distribute the funds, the foundation will form a panel of

representatives from the city of Branson, Branson Chamber of Commerce, and the
