

Based on feedback from numerous sponsors, the Senior Beta Convention will now occur in January. The 2014-2015 convention will take place on January 25-27. Availability of Hotel and Convention Center space played a large part in determining these dates. It is our hope that the revised dates will provide a greater opportunity for students to attend. A tentative schedule follows to assist in planning. Thank you for everything you do for students and our organization.
