

Why should YOU be a Beta?

National Academic Recognition. Compete at State and National Levels.

Scholarship Opportunities. Character Development. Leadership Skills.

Are you looking for national recognition for your homeschool group, co-operative or association? Join National Beta! With as few as five students, your group can charter a National Beta Chapter and gain national academic recognition, scholarship opportunities, and the ability to compete at state and national levels.

As the nation's largest independent, non-profit, educational youth organization, National Beta Club has awarded national recognition to over six million students for high academic achievement while equipping them to be the leaders of tomorrow. Serving grades 4-12 among Junior Beta and Senior Beta divisions, National Beta promotes the ideals of academic achievement, character, leadership and service. The Beta motto is Let Us Lead by Serving Others.

In addition to academic recognition, National Beta provides an avenue for incorporating three important curriculum components: character education, leadership development and service to others. Beta activities cultivate social responsibility and aids members in building bridges to their local and global communities. "Being in Beta taught me how to be a leader, how to make new friends, communicate and not be shy," recalls Beta member Gwyneth Rodriguez.

Betas have the opportunity to showcase their talents in a variety of academic, visual arts, and performing arts competitions at State Beta Conventions. Success at the state level allows members the opportunity to compete against Betas from across the country at the National Beta Convention held each summer. Beta members can also take advantage of valuable opportunities for leadership fostering and personal growth by attending Regional Leadership Summits and the annual Broyhill Leadership Conference.

One of the most incredible benefits of being a Beta member is the National Beta Scholarship Program. National Beta offers more scholarships to its members than any other educational youth organization. Twelfth grade Beta members have the opportunity to apply for scholarships ranging from \$1,000 to \$15,000; more than \$250,000 is awarded annually. The Scholarship Program is just one way National Beta supports and encourages higher education.

Join Beta today! To charter a Beta Chapter, call 800-845-8281 or visit betaclub.org/startaclub today.
